Summary

Hello, I'm S. Srinivas, a passionate B.Tech undergraduate currently in my 3rd year of Computer Science Engineering (AI/ML) at CMR Institute of Technology. I have a strong foundation in web development, with skills in HTML5, CSS, JavaScript, and Python. My communication abilities allow me to collaborate effectively and share ideas seamlessly.

I'm always eager to learn and expand my knowledge, embracing new challenges and technologies to fuel my growth. Looking forward to connecting with like-minded individuals and exploring opportunities that push the boundaries of innovation!

Let's connect and grow together!
